UDYAMI BHARAT

One Home, One Enterprise, One Strong Nation

India was not built by borders — it was built by builders. At the heart of our ancient civilization lies the eternal truth of Vasudhaiva Kutumbakam — the world is one family. Udyami Bharat carries that timeless wisdom into the boardrooms of tomorrow, bringing together the nation's entrepreneurs across Real Estate, Agriculture, Healthcare, Finance, Education, Media, and every sector in between. We are not just building businesses — we are building Bharat. When the farmer, the financier, the technologist, the trader, and the industrialist move as one unified force, when diverse business traditions and generational wisdom converge under a single roof — that is Vasudhaiva Kutumbakam in action.

" The global economy rewards the formidable, not the fragmented. India has every ingredient to lead the world: the talent, the tradition, the technology, and the numbers. What we need now is collective will — and that collective will begins here, in Karnataka."

Jai Udyami. Jai Bharat.

BIEC® Bangalore International Exhibition Centre

Hosted at BIEC — Bengaluru International Exhibition Centre, one of South India's largest and most iconic convention venues spanning 40,000 sq. mtrs. of world-class exhibition space.

A landmark of prestige, sustainability, and modern infrastructure — the perfect stage where Karnataka's entrepreneurial spirit rises to meet the nation.

- Product Launches / Demo
- Strategic Round Tables
- Awards Ceremony

THE 7 PILLARS OF UDYAMI BHARAT EXPO & CONCLAVE

ONE PLATFORM. EVERY POSSIBILITY. BUILT FOR BHARAT'S BUILDERS.

INNOVATION

Real problems demand real solutions — AI-powered leads, strategic analysis, and expert mentoring ensure every problem you walk in with is solved before you walk out and every opportunity already has a strategy. Not later. Now.

GROWTH

At Udyami Bharat, we go beyond offering a stall; we act as your growth partner, managing and nurturing every lead, connection, and conversation to ensure long-term business growth from the event.

INCLUSION

Every scale counts, from the SHG farmer to the Bengaluru startup — every voice is important, and every business deserves a place at the table.

COLLABORATION

Every wall removed. Every sector connected. Every right person in the same room — finally.

GOVERNANCE

Where business ambition and community purpose move together — because the strongest economies are built by leaders who serve both.

BUSINESS

300+ stalls. 16 sectors. 1–1.5 lac visitors. Product launches, investor matching, B2B exchanges, and deals signed before Day 1 ends.

AWARDS & RECOGNITION

Honouring the builders, the changemakers, and the quiet giants whose work has shaped Karnataka — because excellence deserves a stage.

Why a Mixed Sector Expo Is a Powerful Business Decision:

- **Diverse Connections:** Udyami Bharat brings together various sectors—farmers with financiers, MSME owners with AI companies, and women entrepreneurs with retailers—all on one floor for three days.
- **Large Audience:** Attracting 1–1.5 Lac visitors with no audience overlap, featuring distinct communities like farmers, businessmen, and investors, unlike any other event in Karnataka.
- **Government and Business Collaboration:** Key figures, including the sitting CM and ministers, meet 300+ exhibitors, facilitating quick decision-making.
- **Unique Presentation Opportunity:** Unlike single-sector expos, each sector has its dedicated stage for presentations and launches, enhancing visibility and impact.
- **On-the-spot Partnerships:** Proximity encourages immediate collaboration, with finance, education, and distribution deals happening organically during the event.
- **Proven Success:** Previous editions demonstrated the model's effectiveness, with Edition 4 aiming for a peak footfall of 1–1.5 Lac, inviting brands to join the movement.

Udyami Bharat: A Dynamic Collaborative Business Platform

The Udyami Bharat platform embodies the essence of a collaborative business environment. It is not merely a showcase or a trade fair; it represents a vibrant ecosystem where your challenges transform into others' opportunities, and their solutions become yours. This is more than just an expo; it is Karnataka's most compelling affirmation that when its citizens unite, anything is achievable.

UDYAMI BHARAT EXPO 2026 — EVENT HIGHLIGHTS

16 HIGH-IMPACT SECTORS

ONE ROOF. EVERY ANSWER. EVERY PARTNER YOU'VE EVER NEEDED.

REALITY SECTOR — TECH-ENABLED REALTY & BUILDING MATERIALS 1

DIGITISE. INVEST. BUILD SMARTER.

- BhoomiPatra: Access a digital platform for secure land document storage & Properrty Management etc.,
- BhoomiValut: legal verification & liaisoning
- Ownify: Explore fractional real estate investment — enter property markets with minimal capital
- Build-Mall Logistics: Connect with latest construction tech providers and the BuildMart materials marketplace
- Build.AI Homes - Advanced tech based construction solutions and monitering

COMMERCIAL CROPS 6

ONE DISTRICT. ONE PRODUCT. ONE GLOBAL LEGACY

World-class produce. The smallest share of the price. Not anymore. One district, one product, one specialisation — byproducts scaled, traceability built, GI tag within reach. 64+ products. Verified FPOs. FMCG buyers, exporters, and processors — direct. Middleman removed. Farmer's income multiplied. What feeds a village today becomes a global brand tomorrow. It starts here.

MSME — AI-POWERED LABOUR INDUSTRIES 2

PRECISION AT SCALE. HUMAN LEARNING. MACHINE SPEED.

AI-Powered Labour Industries 6 crore MSMEs running on gut instinct while competitors automate. The problem was never willingness — it was access. Here, affordable AI built for shop-floor reality meets the business owners who need it most. The gap closes in one afternoon.

EDUCATION — BRIDGING SKILL & KNOWLEDGE GAPS 5

EDUCATE. EMPOWER. ENTREPRENEURSHIP

One platform addresses every educational need by building schools, scaling colleges, aligning curricula with industry, and placing graduates into careers. It aims to foster entrepreneurship, turning students into job creators rather than just job seekers. From UPSC training for future civil servants to industry-aligned programs for entrepreneurs, the focus is on producing a generation that serves the nation and creates employment opportunities.

HEALTHCARE — MEDICAL WELLNESS TOURISM & ELDERLY STAY 3

WHERE WELLNESS MEETS BUSINESS OPPORTUNITY

World-class hospitals. Ancient wellness traditions. An ageing population with nowhere dignified to go. Udyami Bharat connects the entire ecosystem — hospitals, insurers, Ayurveda practitioners, and investors — turning Karnataka's greatest healthcare assets into its next big industry.

FRUTICULTURE — ORCHARD TO MARKET 4

PREMIUM FRUITS. PREMIUM RETURNS

Finest tropical produce in Asia — rotting because cold chain is absent and buyers are unreachable. Udyami Bharat bridges the orchard-to-market gap with food processors, retail buyers, and cold chain investors in one room. And it doesn't stop at the fruit — dry powders, cut fruit supply, juicing units, and value-added byproducts turn what was once waste into a second revenue stream. Not by policy. By partnership. Every part of the orchard earns.

FLORICULTURE & FISHING — BLOOMS & BLUE ECONOMY 7

BLOOMS, BEAUTY & BLUE ECONOMY

Flowers dumped after every festival. Fish sold below value. Not anymore. Urban floriculture scaling into cosmetics, handmade soaps, herbal teas, and khus wellness products. Coastal fishing communities moving beyond the catch into processing, packaging, and global export. Udyami Bharat connects both to the buyers, brands, and value-chain partners who turn raw harvest into premium, scalable, globally competitive businesses.

ORANGE ECONOMY — CREATIVITY AS COMMERCE 12

CULTURE IS CAPITAL.
CREATIVITY IS BUSINESS.

Karnataka's artists and creators sit on some of India's most valuable IP — with no idea how to monetise it. Udyami Bharat puts them in front of investors, brand sponsors, and digital platforms who know that culture is capital. Creativity becomes a business. Finally.

TECH-ENABLED AGRICULTURE & CARBON CREDITS 8

FARM SMART. EARN CARBON. BUILD THE FUTURE.

Ananta: Sustainable farming often goes unnoticed, with unclaimed carbon credits and inaccessible technology. Udyami Bharat addresses this through AgriTech demos, AI soil analytics, smart irrigation, and carbon credit activation for urban and rural farmers. Both terrace farms and community green spaces can earn carbon rewards. The initiative encourages smart farming for greater earnings while improving the environment.

SKILLSET MATCHING — EMPLOYMENT FOR EVERY HOUSEHOLD 11

RIGHT TALENT. RIGHT ROLE. RIGHT NOW.

Manegondu Deepa: Employment for Every Household Not a job shortage. A catastrophic mismatch. At Udyami Bharat, AI-powered skill assessment meets real employer demand in real time. Hiring drives run live. Every household that sends someone here looking for opportunity finds it — because the opportunity was already here waiting.

FOOD & HOSPITALITY — HOURLY STAY SOLUTIONS & CULTURAL TOURISM 9

SOLVE A REAL PROBLEM. SCALE A REAL BUSINESS.

First Choice Holidays — a global tourism platform that puts also puts Karnataka's temples, traditions, and flavours on the world map while solving the everyday problem of dignified hourly stay for travelling professionals, tourists, and commuters. Udyami Bharat connects hospitality innovators, heritage packagers, tourism operators, and food franchise partners in one room. Namma Karnataka — finally, to the world.

FINANCE — CAPITAL MEETS OPPORTUNITY 10

EVERY BUSINESS NEEDS THE RIGHT FINANCIAL PARTNER.

Every great idea has one enemy — the gap between vision and capital. Udyami Bharat's Multi-State, Multi-Purpose Cooperative Society and UB FinServe Services removes it. Member-owned, community-driven, built for first-generation entrepreneurs whom banks never reached and schemes never found. The matching happens live. Capital finds its purpose — by its own people, for its own people.

NEWS & MEDIA 13

INFORM. EMPOWER. IMPACT.

Karnataka's entrepreneurs build extraordinary businesses in complete media silence. No more. Udyami Bharat launches the state's first exclusive channel for entrepreneurs, leaders, and communities — business, politics, and governance in one credible, independent voice. National issues connected to local impact. Citizens, policymakers, and business leaders finally heard. Your story has a platform. Your community has a voice. And it launches here.

TECHNOLOGY IN BUSINESS — AI AS YOUR BUSINESS PARTNER 16

STOP MANAGING. START SCALING.

Every business owner has heard of AI. Almost none have deployed it. Udyami Bharat changes that — AI is not a keynote here, it is a live demo, a working pilot, a signed agreement. AI-powered lead management that captures, nurtures, and converts every business opportunity. AI-enabled CRM and ERP systems built for every scale — from the MSME owner to the enterprise leader. And for the entrepreneur with just an idea — an AI-based platform that takes your concept from pitch to MVP, step by step, without a tech team. The gap between knowing AI exists and actually using it to grow your business closes here. This week. This floor.

UB-PAC — BUILDING POLITICAL LEADERS WITH GROUND INTELLIGENCE 14

EMPOWERED LEADERS. INFORMED DECISIONS. STRONGER COMMUNITIES.

The strongest democracies are built from the ground up. UB-PAC builds and strengthens political leaders at ward, hobli, and constituency level — equipping them with real ground intelligence, grassroots listening skills, and the precision to act where it matters most. Trained to understand their community's true needs, deliver meaningful work, and be held accountable for every promise made. Not politicians. Pulse-bearers. Leaders who don't just represent their constituency — they become it.

EMPOWHER — WOMEN ENTREPRENEURSHIP 15

SHE BUILDS.
THE ECONOMY GROWS.

Udyami Queen's is not just a marketplace — it is a movement. An exclusive platform built to scale women-led businesses across Beauty, Food, Crafts, Fashion, Home Products, Tailoring, Art, Gifting, Netting, Basket Making, Home Food, and SHG networks. Real products. Real entrepreneurs. Real revenue. Government schemes and microfinance partners sit on the same floor, making funding accessible not aspirational. Corporate partnerships that don't just talk gender equity — they act on it, visibly and meaningfully. She arrives with a skill. She leaves with a business.

Every problem has a solution in the next sector over. Every opportunity has a partner two stalls away. Every business that walks in fragmented walks out connected.

This is not an exhibition. This is Karnataka's most powerful act of collective ambition — 16 sectors, one roof, one unstoppable purpose. Collaborate. Innovate. Grow. Together.

PARTNERSHIP OPPORTUNITIES

ONE PLATFORM. EVERY POSSIBILITY. BUILT FOR BHARAT'S BUILDERS.

NAMMA SARKARA. NAMMA JANA. NAMMA EXPO

WHY KARNATAKA'S GOVERNMENT BELONGS AT UDYAMI BHARAT 2026

Karnataka's government has always been the backbone of the state's growth. Every scheme launched, every enterprise supported, every farmer empowered — it begins with a decision made in a government office. Udyami Bharat Expo 2026 is simply the stage where that work gets the recognition, the reach and the audience it deserves. This is the one platform where government does not have to go looking for its people. They come here. 1.5 lakh of them — farmers, entrepreneurs, students, women business owners, investors and community leaders — walking through the same doors, in the same three days, looking for exactly what Karnataka's government and public enterprises offer.

Every department that participates here is not just present at an expo. It is seen as a partner in Karnataka's progress. Every PSU that exhibits here is not just selling a product. It is building a relationship with the consumers, buyers and businesses that will carry its brand forward for years. The entrepreneurs in this hall respect government presence. They look for it. When they see Karnataka's departments and public enterprises standing alongside India's finest businesses at BIEC — it tells them that their government is invested in the same future they are building. That credibility cannot be manufactured. It can only be earned — by showing up.

Udyami Bharat Expo 2026 is Karnataka's most powerful convergence of enterprise, community and ambition. The government's place is not on the sidelines of that story. It is at the centre of it.

"A government that exhibits its commitment is a government its people will never forget."

GOVERNMENT & PSU PARTNERSHIP OPPORTUNITIES

MSME DEPARTMENT & MSME ASSOCIATIONS

60 stalls. 10,000+ entrepreneurs. One floor where Udyam registrations happen, schemes get explained, and MSME officers meet the business owners they were built to serve — live, direct, and impactful.

EDUCATION DEPARTMENT & SKILL DEVELOPMENT

34 stalls. 10,000+ students, parents, and institutions. Scholarships promoted, skill programs explained, and enrolments completed on the spot — no campaign delivers this kind of direct conversion.

ITBT DEPARTMENT

500+ tech founders, AI firms, and startups in one room actively looking for policy support, innovation grants, and infrastructure. The most targeted platform Karnataka has to showcase its startup ecosystem to the people building it.

MYSORE SANDAL (KARNATAKA SOAPS & DETERGENTS LTD — KSDL)

Premium zone placement before a quality-conscious audience. Direct retail sales, gifting partnerships, and memento moments on the Main Stage — Karnataka's most iconic brand, given the stage it deserves.

KARNATAKA STATE KHADI AND VILLAGE INDUSTRIES BOARD

Urban consumers meet Khadi — not as tradition, but as premium lifestyle. Artisan connections, live registrations, and the repositioning of Khadi as a brand India is proud to wear.

LARGE & MEDIUM SCALE INDUSTRIES DEPARTMENT & INDUSTRY ASSOCIATIONS

60 stalls. 10,000+ industry leaders. One floor where mega investments are unveiled, growth strategies get aligned, and industry bodies meet the corporates they were built to accelerate — live, direct, and impactful.

BAMUL — BANGALORE DAIRY (KARNATAKA MILK FEDERATION)

Prime food court positioning with guaranteed repeat footfall. B2B tie-ups, distributor onboarding, brand visibility, and the opportunity to be the official gift hamper partner for every VIP on every stage

MSIL — MYSORE SALES INTERNATIONAL LTD (PRODUCTS DIVISION)

A cross-sector platform to engage directly with MSMEs, retailers, and institutional buyers across every zone — maximum product exposure, minimum effort.

CAUVERY HANDICRAFTS — KSHDCL (KARNATAKA STATE HANDICRAFTS DEVELOPMENT CORPORATION)

Queens Mart positions Karnataka's finest handicrafts before buyers, corporates, and gifting partners. Artisans connect directly with the market. Heritage finds its commercial moment.

KARNATAKA SILK INDUSTRIES CORPORATION — KSIC

Live weaving demos. Direct premium sales. Designer connections. Mysore Silk elevated from heritage product to heritage luxury brand — before an audience that understands and values both.

KARNATAKA FOREST, ECOLOGY & ENVIRONMENT DEPARTMENT

40 stalls. 5,000+ agro entrepreneurs & green investors. One floor where carbon credits get traded, agroforestry schemes are explained, and forest officers meet the farmers and businesses they were built to sustain — live, direct, and impactful.

KARNATAKA STATE FOREST INDUSTRIES CORPORATION LTD

Builders and manufacturers actively sourcing sustainable timber and eco-products. A platform that turns responsible forestry into a competitive, commercially viable proposition.

KARNATAKA TOURISM

1 lac+ premium visitors. Travel showcases, heritage sessions, and tourism materials reaching the exact audience that travels, spends, and shares. Karnataka's best destinations, finally front and centre.

BDA — GREATER BANGALORE PARTNER

Developers, urban planners, and investors actively looking for the next opportunity. BDA positioned not as a government body but as the driving force behind Bangalore's boldest future.

KARNATAKA STATE SEEDS CORPORATION LTD — KSSCL

Farmers, FPOs, and agri-entrepreneurs seeking certified seeds and trusted agri-solutions — with the government credibility that makes every conversation a conversion.

KARNATAKA FISHERIES DEVELOPMENT CORPORATION LTD

Restaurants, retailers, exporters, and institutional buyers — all in one place. Fisheries schemes promoted directly to the farming communities and processors who need them most.

KARNATAKA TRANSPORT — TRAVELLING PARTNER

Branded shuttle services across all three days — visibility at every travel touchpoint, from metro to gate, for every single visitor who walks through BIEC.

Every partner here is not buying visibility. They are buying direct access to the most motivated, diverse, and action-ready audience Karnataka has ever assembled under one roof.

UDYAMI BHARAT™

One Home. One Enterprise. One Strong Nation

ಉದ್ಯಮಿ ಭಾರತ

This is not an invitation to an event. It is a call to belong — to a movement where Karnataka's farmers, entrepreneurs, leaders, creators, and communities stop standing apart and start standing united. Public or private. Government or grassroots. Corporate or cooperative. Every one of you has built something in isolation that could multiply beyond imagination in collaboration.

Bring your challenge. Find your partner. Build your nation.
We are not fragmented. We are formidable.
Jai Udyami. Jai Bharat.

For Stall Booking & Sponsorships
